Uploads

Statement of Work or Sponsored Research Agreement

Provide a copy of the statement of work from the Nebraska college or university that will be working on this R&D project.

This can be a sponsored research agreement, work for hire agreement, licensing agreement, or detailed scope of work with budget. If the agreement is not ready, please detail the scope of work on the budget and/or project plan section and provide the information at a later date.

The research agreement or other documentation with the college/university does not need to be executed. As DED cannot guarantee funding for any project, it is advised that a business does not execute the research agreement prior to review and notification of a funding decision by DED.

Milestone

Describe the research and development activities that will be undertaken by the Nebraska university or college researchers, the approximate time needed to complete each milestone, what will be accomplished in each milestone, what kind of support the business will be providing in cooperation with the Nebraska college, and what will be provided by other contractors or consultants over the time period covered by the activities taking place in each milestone. If an award is made, milestones will be transferred to the contract between DED and the business and will dictate the success of the project. Please provide at least one milestone for the project. Each milestone should be a single task in support of the entire project; most projects average 3-7 milestones. Milestones should be concise, quantifiable, define a specific goal, and if possible, include a rough timeline. In most cases, Milestones do not need to be longer than a few sentences.

Overall Goals of Project

What outcome(s) would determine if this R&D project is a success? Please supply at least one.
